FEUER LUMBER
COMPANY, INC.

800-427-5304 • www.feuerlumber.com

Available in a variety of sizes, including 1x2 (A) and 1x3 (B), Royal S4S Trimboard saves time by eliminating the need to rip down to special widths.

Royal S4S Trimboard is also available in 1x5 (C), providing greater flexibility when 1x4 and 1x6 aren't the perfect fit for an application.

Royal S4S Trimboard eliminates the extra work edge cut dirt creates making every job quick and clean from start to finish. Enjoy all the benefits of dimensional sanded lumber without the worries of rot, replacement or high maintenance. Improve every trim project you install while saving time using Royal S4S Trimboard.

- Smooth 4-sided finish
- True Square – stay clean edges
- Ready to install
- Paintable
- 100% cellular PVC
- Lifetime never rot warranty

ROYAL

S4S Trimboard

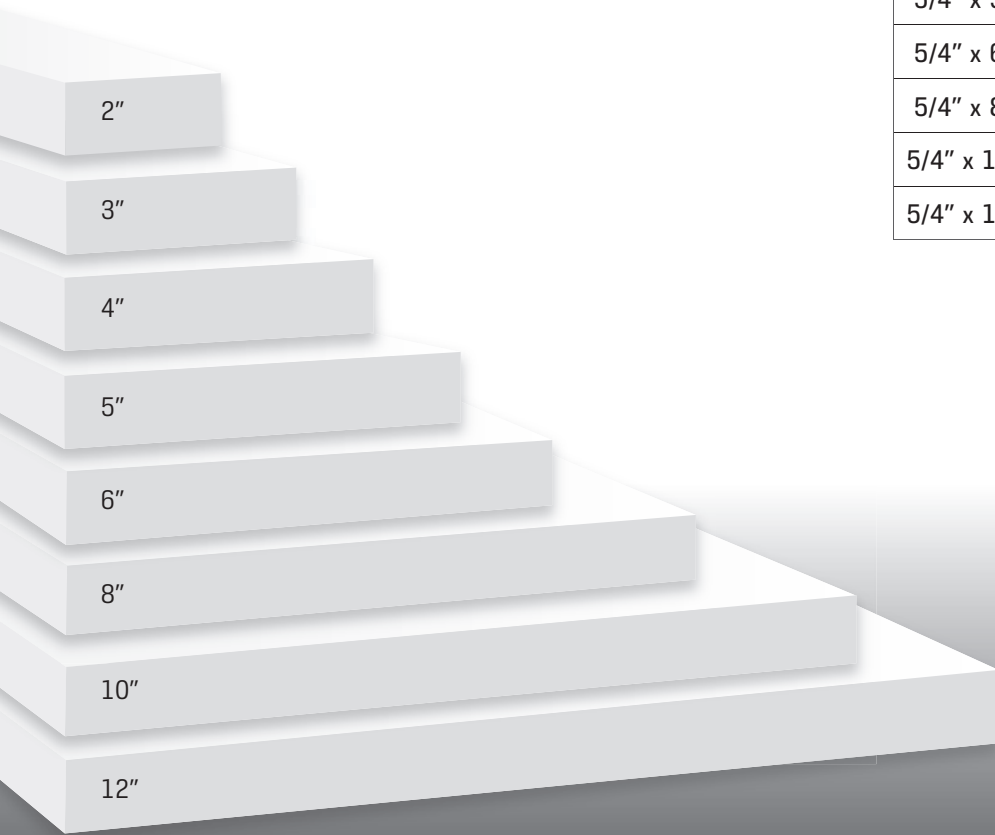

Royal S4S Trimboard is available in three standard thicknesses and an industry-leading eight standard widths. With more available widths, the need for ripping boards is decreased, saving you time.

- Smooth 4-sided finish
- True Square – stay clean edges
- Ready to install
- Paintable
- 100% cellular PVC
- Lifetime never rot warranty

Royal S4S Trimboard is reversible. It is available in a smooth/smooth finish or a smooth/woodgrain finish.

Royal S4S Trimboard's stay clean edges eliminate the extra work created by edge cut dirt, saving you time.
